Chance to Succeed

SCIO: SC046179

Report of the Trustees

For the period ended 31 December 2018

Governance, structure and management of Chance to Succeed

Governing document

Chance to Succeed is a Scottish Charitable Incorporated Organisation (SCIO) and its activities are governed by its constitution.

Organisational structure

Membership of the SCIO is open to any person (legal or natural) who, in the view of the Charity Trustees, demonstrates a genuine commitment to further the purposes of the SCIO. Application for membership is approved by the Charity Trustees and the member must also be appointed as a Charity Trustee contemporaneously.

Procedures are in place for newly appointed Trustees to receive an induction covering the objectives, policies and protocols for the operation of the SCIO in addition to the legal obligations and responsibilities of a charity trustee. This induction is overseen by the Chairman of the Board or a nominated representative.

The Board of Trustees have outsourced the operation of its lottery activities to STV ELM Limited, a licensed external lottery manager regulated by the UK Gambling Commission. The charity's lottery activities are conducted in association with partner charities Chance to Study (SC046178), Chance to Connect (SC046173) and Chance to Flourish (SC046177) and are promoted under the brand of The Scottish Children's Lottery.

STV ELM Limited works with of the Board of Trustees and the performance of the lottery activities is reviewed at regular meetings with the Board of Trustees.

Risk management

The principal risks faced by the charity are reputational and financial.

- UK Gambling Licence conditions

Whilst the responsibly for operating the lottery and ensuring the terms of the licence are adhered to lies with the STV ELM, there is reputational risk to the charity if there are any serious licence breaches which could result in sanctions, financial penalties and revocation of licences. The Board of trustees has oversight to the internal controls that have been put in place by the STV ELM to ensure that the terms of the operating licence are adhered to.

- Financial risk

If the lottery was unsuccessful, the charity would have a financial liability to STV ELM and the continued existence of the charity would be in doubt. The STV ELM are projecting that at the current ticket sales rate that the charity would be able to settle its debt to STV by 2022. This risk is monitored and managed in part through the charity's business plan. The Board of Trustees are kept up-to-date with the performance of lottery with regular reports and updates at the quarterly meetings.

The Board of Trustees regularly evaluate the risks to which the charity is exposed and the systems in place to manage them. The Board of Trustees consider that the systems in place are adequate to manage the risks faced by Chance to Succeed.

Objectives, activities and achievements of Chance to Succeed

Charitable objectives

The charitable objectives of Chance to Succeed as set out in its constitution are to support and promote (through financial distributions to charities, community groups and others) employment skills and the employability of young people. In doing so the financial distributions will seek to alleviate the impact of poverty, financial hardship, disability, illness or socio-economic disadvantage, with the aim of ensuring that all young people in Scotland have the opportunity of a productive future where they can become young adults with a positive contribution to make to society.

To achieve those objectives, the primary activities of Chance to Succeed are:

- To generate funds through the operation of a society lottery which is regulated by the Gambling Commission under licence 000-045490-R-324706-001. Chance to Succeed has engaged STV ELM Limited (who operate under the brand name, the Scottish Children's Lottery) as its external lottery manager.
- To distribute the net funds generated by the society lottery to charities and other organisations which engage in activities aligned with Chance to Succeed's charitable objectives as outlined above.

We believe that every young person in Scotland deserves a chance. A chance to be seen; A chance to prove themselves; A chance to forge a successful career for themselves.

Without intervention, not everyone gets that same chance. Whether as a result of financial hardship, disability, illness or situations often beyond their control, many Scottish children simply do not enjoy the same opportunities as others. We are working to change that.

Operating as a grant-giving charity, Chance to Succeed strives to ensure that all young people in Scotland can make a positive contribution to

Chance to Succeed

SCIO: SCo46179

Report of the Trustees

For the period ended 31 December 2018

Activities (cont'd)

society through gainful employment. With projects aimed at building employment skills and instilling confidence, we help the youth of today find their feet so that they can be prepared for the workplace of tomorrow.

Using the funds generated by our promotion of the Scottish Children's Lottery scheme, we strive to alleviate the impact of child poverty and make steps toward securing brighter futures.

Achievements

In 2018, Chance to Succeed, made 32 awards to charities all over Scotland. These projects are detailed in note 13. The total value of the grants awarded in 2018 was £557,626 (2017: £235,262).

1,400 families were directly supported through grants which reached 2,650 young people through innovative employment projects.

Projects supported by Chance to Succeed

The following are some of the projects supported by Chance to Succeed in 2018.

Fife Employment Access Trust

The Fife based mental health charity was awarded a **£29,522** grant from the Scottish Children's Lottery to support its work as a key mental health and employability provider in the local area. Fife Employment Access Trust (FEAT) provides a range of self-management and employability programmes to young people and adults with mental health conditions, helping to improve their daily living, develop employability skills and enable access to meaningful activities such as volunteering and further education. The funding from Scottish Children's Lottery supports the charity's 26-week **Employ your Mind** programme, aimed at young people who are experiencing significant mental health problems.

Denis Law Legacy Trust

The Aberdeen charity was awarded a **£15,000** grant from the Scottish Children's Lottery. The Denis Law Legacy Trust works in partnership with Robert Gordon University to deliver its Streetsport programme in areas of Aberdeen affected by regeneration, deprivation or hot spots of youth-related anti-social behaviour. The charity engages with over 16,000 young participations a year, building up trusting relationships and developing opportunities and platforms for young people to thrive in. Streetsport engage with young people through a range of activities, including employment support and innovative prevention programmes delivered in primary schools and in HMP Grampian, all helping local communities become closer, healthier and safer. Last year, the Cruyff Court Denis Law facility opened in Aberdeen - Scotland's first free-to-access, unbookable, fully floodlit and 4G astro-turfed sport facility, which provides free provision to young people at a time that suits them.

Measuring success

The evaluation of our investments is essential to ensure that maximum benefit can be derived from the funding we provide.

In the case of larger awards, each project's impact is measured against agreed target outcomes and will typically be required to be reviewed. In recognition that the smaller projects have limited resources, the reporting requirements upon them are less onerous though still necessary to ensure objectives are met.

Future plans

It is the aim of Chance to Succeed to continue to invest in projects and activities which are focused on providing the skills which will help young people in Scotland into work and onwards to a successful future. Chance to Succeed will maintain this as a focus in the foreseeable future.

Chance to Succeed

SCIO: SCo46179

Financial review of Chance to Succeed

The charity is in a net liability position at the end of the year. STV ELM have provided working capital support during the launch and initial operating stage of the Scottish Children's Lottery and have provided a letter of comfort to that effect. The trustees have also conducted extensive financial modelling and market research and are comfortable in the long term viability of the lottery. On this basis the trustees are comfortable that the financial statements have been prepared on a going concern basis.

Chance to Succeed's activities in the year to 31 December 2018 generated total incoming resources of £1,754,696 (2017: £1,077,206) through the net proceeds of the Scottish Children's Lottery. The operating costs and grants awarded for the year are £2,032,161 (2017: £1,850,481) and lottery gaming prizes paid are £594,962 (2017: £332,317) resulting in a deficit of £872,427 (2017: £1,105,592).

As a key partner, STV ELM Limited has supported the initial setup costs and working capital requirements of Chance to Succeed and the Scottish Children's Lottery by providing flexible, extended credit terms on the services it provides. These costs (which contribute to the above deficit for the period) will be repaid to STV ELM Limited as the volume of ticket sales increases over the coming months. STV will continue to provide ongoing support and will not seek settlement of its debtors balance due from Chance to Succeed during 2019 to the extent that this would cause the entity to become unable to continue as a going concern.

A reserve of funds has been retained by Chance to Succeed so that it can meet its obligations (as a charity and under its gambling licence) to provide support to charities and projects which seek to help young people into work.

Income

30% of all Lottery ticket sales are reserved to be made available for awards to good causes. Of the remaining proceeds from ticket sales an average of 34% covers prizes and the rest is used to cover operating costs.

Reserves

The reserves of the charity at 31 December 2018 were a deficit of £2,358,385 (2017: deficit of £1,485,959) of which £2,427,793 (2017: £1,586,584) were unrestricted. These unrestricted funds in deficit are as a result of the lottery being in the growth phase and at this point operating costs are exceeding income. Restricted funds were in a surplus position as at 31 December 2018. During this period funding requirements have been supported by the STV ELM Limited. When the charity's reserves are in a surplus the trustees would expect to hold adequate unrestricted reserves in order to settle commitments to the STV ELM for services provided.

The trustees of Chance to Succeed strive to keep reserves to a minimum but ensure that the charity's restricted funds are at a level that enables the charity to meet its funding commitments to charitable objectives.

Chance to Succeed's reserves policy is monitored and reviewed by the trustees on an annual basis in order to maintain reserves at the agreed minimum level.

1. Ring-fenced funds for charitable contributions

As required under the provisions of its gambling licence, Chance to Succeed must retain a minimum of 20% of the value of ticket sales of any given lottery draw for distribution to good causes in accordance with its charitable objectives. Where, at the year end, not all funds have been committed, the Trustees shall endeavour to identify and evaluate suitable projects to which surplus funds may be awarded.

2. Total Funds of the Charity

Where total funds of the charity as reflected in the balance sheet are reserved, Chance to Succeed will strive to award all available cash funds to charitable projects and therefore to minimise reserves. Where not all funds have been committed, the Trustees shall endeavour to identify and evaluate suitable projects to which surplus funds that are reserved, may be awarded.

Signed on behalf of the Board of Trustees

Ken Barclay
Trustee and Chairman

Statement of Trustees' Responsibilities

For the period ended 31 December 2018

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Chance to Succeed

SCIO: SCo46179

Independent auditors' report to the trustees of Chance to Succeed

Report on the audit of the financial statements

Opinion

In our opinion, Chance to Succeed's financial statements (the "financial statements"):

- give a true and fair view of the state of the charity's affairs as at 31 December 2018 and of its incoming resources and application of resources, and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005.

We have audited the financial statements, included within the Report of the Trustees and Financial Statements (the "Annual Report"), which comprise: the balance sheet as at 31 December 2018; the statement of financial activities, the statement of cash flows for the year then ended and the notes to the financial statements.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

ISAs (UK) require us to report to you when:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the charity's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the charity's trade, customers, suppliers and the wider economy.

Reporting on other information

The other information comprises all of the information in the Report of the Trustees and Financial Statements other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

Chance to Succeed

SCIO: SCo46179

Independent auditors' report to the trustees of Chance to Succeed (continued)

Reporting on other information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Trustees' Report

Under the Charities Accounts (Scotland) Regulations 2006 (as amended) we are required to report to you if, in our opinion, the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Responsibilities of the trustees for the financial statements

As explained more fully in the Trustees' Responsibilities Statement set out on page 6, the trustees are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The trustees are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

We are eligible to act and have been appointed under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the charity's trustees as a body in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulations made under that Act (regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended)) and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Chance to Succeed

SCIO: SCo46179

Other required reporting

Charities Accounts (Scotland) Regulations 2006 (as amended) exception reporting

Under the Charities Accounts (Scotland) Regulations 2006 (as amended) we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Notes to the Financial Statements

For the year ended 31 December 2018

1 Accounting policies

Statement of Compliance

The financial statements have been prepared on a going concern basis under the historical cost convention and the requirements of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued May 2014. Chance to Succeed is a public benefit entity.

Going Concern

Financial statement have been prepared on a going concern basis. STV ELM have provided working capital support during the launch and initial operating stage of the Scottish Children's Lottery and have provided a letter of comfort to that effect. The trustees have also conducted extensive financial modelling and market research and are comfortable in the long term viability of the lottery. STV will continue to provide financial support to Chance to Succeed and will not seek settlement of its debtors balance during 2019 to ensure that the entity continues to operate as a going concern.

Accounting Period

The financial reports are for the 12 month period to 31 December 2018.

Fund accounting

Unrestricted funds may be used in accordance with the charitable objectives of Chance to Succeed and at the discretion of the Trustees.

Restricted funds can only be used for specific purposes within the objectives of Chance to Succeed. Restrictions arise where specified by a donor or where funds are raised for a particular restricted purpose.

Surplus funds may be retained to finance fundraising activities in subsequent years or be used, subject to the charitable objectives of Chance to Succeed, for additional charitable activities not specifically identified by the Trustees at the year end.

Incoming resources

Income is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Income generated from the sale of lottery tickets and online gaming is recognised before deduction of prizes and operating costs.

Irrecoverable VAT

Irrecoverable VAT is charged to the statement of financial activities where appropriate.

Recognition of financial assets and liabilities

Assets and liabilities are recognised when an obligation arises to transfer economic benefits as a result of past transactions or events. They are released when the obligation is fulfilled. Cash, debtors and creditors are held at cost.

Resources expended

Expenditure is accounted for on an accruals basis.

Taxation

Chance to Succeed is exempt from corporation tax on its charitable activities.

Chance to Succeed

Restricted funds are retained from lottery ticket sales and reserved solely for awards to good causes in accordance with the charitable objectives of Chance to Succeed.

Unrestricted funds are funds available to cover operating costs and any other use subject to the charitable objectives as set out in the constitution of Chance to Succeed.

11 Related party transactions

The STV ELM Limited is considered to be the only related party with related party transactions. All transactions with this organisation are reflected within the financial statements and annual report.

These transactions can be represented as:

	2018 £	2017 £
Operating costs		
Lottery operating costs	(639,650)	(590,438)
Gaming operating costs	(33,666)	(31,076)
Marketing costs	(795,258)	(985,286)
STV ELM Limited	(1,468,574)	(1,606,800)

A balance of £2,462,004 (2017: £1,626,898) was payable to the STV ELM as at 31 December 2018.

STV ELM provides management services to the charity which include;

Marketing - advertising, player management and promotions services
Technology - facilitation of ticket sales and player account management
Compliance - product compliance, risk management and reporting services
Financial management and accounting, including payment processing and banking services
Operations management including customer service and management of all 3rd party suppliers

12 Contingent Liability

The STV ELM incurred costs to set up the lottery. Chance to Succeed's portion of these costs is £796,996. In terms of the Agreement between the charity and STV ELM the liability of Chance to Succeed for set up costs shall accrue on receipt of each invoice. Chance to Succeed shall be obliged to make payment of its accrued liabilities for set up costs by applying in full the amount of any surplus until all accrued liabilities are settled. If no surplus is generated Chance to Succeed will not be required to make any payments in respect of set up costs.

Set up costs are invoiced on a weekly basis over a period of 39 months from the launch of the lottery.
